

the professional labeling software

NiceLabel Pro

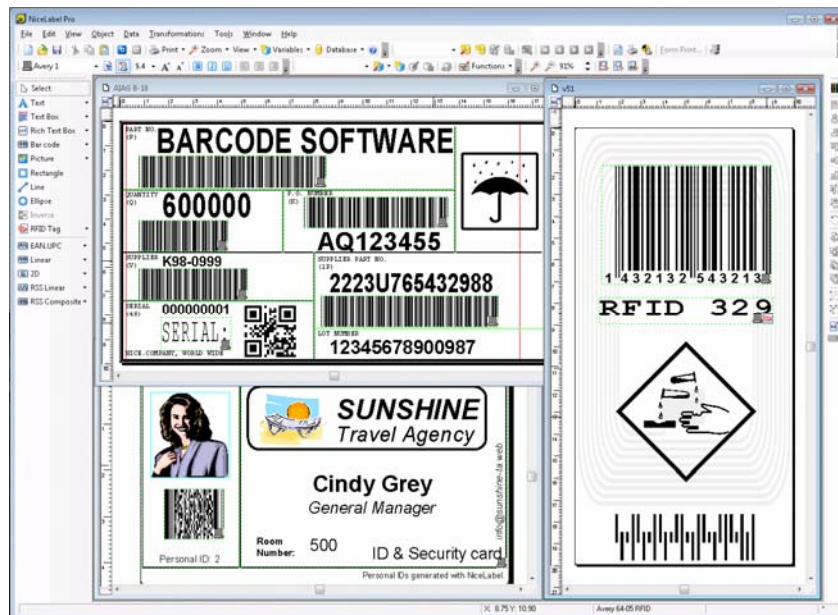

5

NiceLabel Pro is an advanced label designer for professional bar code and RFID labeling.

A wide range of options makes NiceLabel Pro a perfect and easy-to-use, wizard-driven tool for any labeling requirement, including RFID, compliance labeling and more.

NiceLabel Pro includes support for all industry standard bar codes (including 2-D) and RFID Class 1 and Gen 2 support.

Many times companies must comply with particular customer or industry (chemical, automotive, retail, etc.) compliance requests. **NiceLabel Pro** includes many industry standard label templates that makes label design and printing fast and easy.

A user-friendly database connection wizard and database manager provides for fast and easy database connection and printing operations.

A fully exposed .NET/ActiveX programmer's interface enables programmers to integrate **NiceLabel Pro** into other Windows applications.

Over 25 international languages supported in additional full Unicode data import and design compliance.
